

## LAVENDER FARM TOUR SUMMARY

A 40km return Jet Boat adventure to remember. Jet Boat down the Whanganui River, skimming over small rapids and deep still water, enjoying the breathtaking scenery of farmland and bush clad hills.

Take your time climbing the short staircase up to Lauren's Lavender Farm, Café and Giftshop. Enjoy the sound of the river and native bird song. Don't forget to look up and admire the native bush canopy above you. Once there, try Lauren's Lavender products and wonderful gift ideas from their gift shop and/or enjoy the delicious coffee and cake available for purchase from the café.

Wander through the rows of lavender and enjoy the view of the river and surrounding native bush. Pull up a chair, close your eyes, listen to the birds and relax within the peaceful ambience this café provides. Then return by Jet Boat back to Cherry Grove, Taumarunui.
